you can. If you can't get to a safe building or vehicle:
 "Avoid open areas; don't be the tallest object in the area; stay away from isolated tall trees, towers or utility poles. Lightning tends to strike the taller objects in an area. "Stay away from metal

conductors such as wires or fences. Metal does not attract lightning, but lightning can travel long distances through it.

"If you are with a group of people, spread out. While this actually increases the chance that someone might get struck, it tends to prevent multiple casualties and increases the chances that someone could help if a person is struck."

Justin Moore to play Fairgrounds on Saturday

Justin Moore

HIWASSEE – Country Music Star Justin Moore is headlining Anderson Music Hall inside the Georgia Mountain Fairgrounds on Saturday, June 30.

Moore has charted 11 times in Billboard magazine's Hot Country Songs, and he has scored multiple No. 1 singles over the years, including "Small Town USA," "If Heaven Wasn't So Far Away," "Til My Last Day," "Lettin' the Night Roll," and more.

He's currently working on his fifth studio album, which will likely be coming out late 2017 or early 2018, though he's still enjoying success with 2016's "Kinda Don't Care."

"It's our goal every time we go out there to throw a party and make sure people feel like they got their money's worth, so we're going to go out and do that exact thing, hopefully,"

said Moore of his June 30 concert. "As far as the show goes, we're doing a lot of the hit records we've had over the last decade or so.

"We've been very fortunate thanks to the radio and all the fans to have a show full of hit records. We've also thrown a couple of older things in the set that may have not been on the radio for us years ago, but ones that we really enjoy play-

ing, so that's been fun for us."

Tickets are still available for the June 30 concert, which opens at 7 p.m. at The Hall. Level 1 seats are selling for \$60 plus handling, and level 2 seats are going for \$50 plus handling.

"I appreciate the support over the years, and I look forward to seeing everybody," said Moore.
