## Union 56, Gilmer 14: Panthers open with a win for 14th straight year

**Ellijay** – The locations and opponents may vary but the script remains unchanged over the past 14 seasons.

Union County opens the season with a win and prepares for week two with a 1-0 record.

Since 2004, the Panthers have won every season opener and last Friday night was no different. Union County won the toss, scored the game's first 42 points, then put in the reserves and let them cruise to a 56-14 victory with a running clock in the second half.

You know, just your typical week one, Union County result.

Senior quarterback Cole Wright put up 300-plus yards in 2.5 quarters of play before handing the keys to sophomore Pierson Allison and freshman Kaston Hemphill. Through the air, Wright connected on 20-of-30 pass attempts for 233 yards and 2 touchdowns.

With that much success throwing the ball and the outcome never in doubt, there was no need for Wright to use his legs. But the few times he did, he reminded everyone why he was voted Region 7-AAA's Offensive MVP, totaling 993 yards and 2 scores on six carries. More than two-thirds of those yards came on one play when Wright chose to tuck it and run. After gaining 30-plus yards up the sideline, he cut back inside – somehow avoiding the five Bobcat defenders that were in position to either make the tackle or force him out-of-bounds – and waltzed into the end zone, delivering a 67-yard knockout blow that extended the lead to 28-0.

His first rushing score came on the first series of the game when the Panthers went 71 yards on eight plays in less than two minutes.

The drive opened with a handoff to Chad Buzzard that went for 13 yards but an incompletion and a 2-yard loss by Wright brought up a 3rd-and-13. With a perfect opportunity to make an early statement and get off the field, not only did the Gilmer defense surrender a 16-yard completion to Sawyer Drake, they waited until he stepped out of bounds to deliver the hit. The personal foul penalty added 15 yards and gave Union the ball at the Bobcats' 31. Following a Gilmer offsides penalty, Buzzard churned out 11 yards on the ground, Drake reeled in a six-yard grab, drawing another late hit penalty.

With a 1st-and-goal at the five, Wright made the call to carry it himself and scored easily on the read-option keeper. Gilmer's first offensive series of the game began at the 24-yard line and a no-gain was followed by losses of seven and 11 yards, bringing up a 4th-and-28 at the six. The punt dealt the Panthers excellent field position at the 40, where two pass completions and four Buzzard carries put Union back in the end zone. Buzzard totaled 25 yards on the drive while Kaston Hemphill and Kyle Morlock moved the chains with a pair of catches.

Buzzard ended up 113 yards and 2 scores on 15 carries – all career highs for the junior running back.

Another junior, Chayton Schafer, who would make an impact on offense later in the game, put together a solid all-around performance that began with the Panther safety diving on a Bobcat fumble at the 6-yard line. Despite facing an offense that rarely put the ball in the air,

the Union County defensive backs were flying to the football and forcing turnovers in the run game all night long.

“Our job (in the secondary) was to get to the pitch play and provide late run help,” senior Sean Dobbins said. “They are definitely a different style of offense than what we’re used to preparing for. There’s only a few teams that we see who run an offense like that so preparation is important. You have to prepare as best you can.”

One play later senior Cole Dockrey powered his way across the goal line for a 21-0 lead with 5:15 remaining in the opening quarter.

A three-and-out by the Gilmer offense led to a punt that pushed Union back to its own 37-yard line, but Wright capped off a one-play, 67-yard scoring drive all by his lonesome. The first quarter came to a close with the Panthers on the move once again. Passes to Drake and Dockrey had Union inside the red zone when the second quarter got underway. Wright connected with sophomore Cayden Rich for 8 yards and a 1st-and-goal at the six. On the very next play, Wright scrambled out of the pocket, keeping his eyes downfield and eventually finding an open Kaston Hemphill in the back of the end zone for six.

Junior Brian Smith's fifth extra point of the game made it 35-0 with 11:19 to play before halftime.

Gilmer's fifth consecutive three-and-out gave the ball back to Union but after moving inside the 2-yard line, a fumble out of the end zone handed the ball back to the Bobcats at the 20.

Prior to the fumble, Wright and senior receiver Austin Pattee hooked up for a 20-yard gain and Buzzard added 22 more on the ground. With a second down from the 15, Dockrey appeared to have his second touchdown of the day but a chop block penalty negated

the score. On 3rd-and-25, Buzzard was stopped for a short gain but senior Logan Dyer came to the rescue with a 27-yard reception to keep the drive alive, inside the 10.

With a 1st-and-goal at the nine, Wright tossed a screen pass out wide to Kaston Hemphill, who battled his way inside the five but just as he neared the pylon, the ball was jarred loose and rolled out of the end zone – awarding a touchdown to Gilmer at the 20.

“Kaston was running his butt off trying to score and it was just one of those football plays,” Coach Brian Allison said after the game. “It was a turnover. It happens. We just have to try and fix it and get better.”

After catching its first break of the game, the Bobcats' offense responded with its only first down of the half – a 19-yard run on 3rd-and-2. Unfortunately, Allison recovered a Gilmer fumble two plays later and Union was back in business near midfield.

A second down give to Buzzard was good for seven, then Wright found Pattee for six more. Three plays later, the Panthers were faced with a 4th-and-7 from the 36 and were unable to convert when Wright's pass fell incomplete.

“We were playing a good game early but then we just let up a little bit,” Coach Allison said immediately following the game. “We gave up a first down on defense then we weren't able to score again on offense. I think we were pressing and trying to do a little bit too much. I told them just to ‘stay within what we do and we'll be alright.’”

Union would get one more shot at putting points on the board when junior Kyle Williams scooped up a Bobcat fumble at the 45 with 1:09 to play before the break.

A false start put the Panthers in a 3rd-and-15 but Wright weaved his way through traffic for 20 yards and a fresh set of downs. On second

down, Wright hit Dyer across the middle for 31 yards and the score but a yellow handkerchief was sitting at the 10.

Holding was the call and Union had to settle for a 37-yard field goal but Smith pushed his kick wide left and the score remained 35-0 at the half.

Coach Allison was able to refocus his squad during the intermission and the Panthers came out with new life in the third quarter. Pierson Allison recovered his second fumble of the game on the opening series of the half and Wright set up shop at the 21.

A completion to Dyer moved the ball to the five then two running plays to Buzzard were snuffed out by the Bobcats, bringing up third down. That's when Union County went play-action and Wright hit a wide-open Pattee after the defense bit on the fake to Buzzard. All alone in the flat, Pattee glided into the end zone unchallenged for Wright's fourth and final score of the game.

On the ensuing Bobcats' drive, they decided to go up-top on second down and it worked. From their own 13, Gilmer went deep and caught the secondary on its heels. The catch-and-run went for 87 yards and the Bobcats were on the board for the first time all season.

The Panthers would immediately answer.

Up next is a visit to Hayesville, NC to face the 1-1 Yellow Jackets. Two weeks ago, Hayesville was the victim of a late offensive surge by the Indians at Towns County in a 38-21 loss. Last week they rebounded with a 13-0 home victory over Copper Basin, Tenn.

Last season Union demolished the Jackets 61-7 but Coach Allison acknowledges that last year's Hayesville team was coming off two losses and was in total disarray when they came to Blairsville.

This time around, Coach Allison is expecting a slobber-knocker.

“Whenever I was in school it was a battle every time we played at Hayesville,” he said. “As a coach it's been no different. We went up there when Kolt Owenby was the quarterback (2009) and it was a battle then. We're in for quite a challenge this Friday night.”
