four tribes home in September for their "We Are Still Here" memorial, a 10-foot tall bronze statue that will be unveiled at Meeks Park.

The four chiefs are: the Principal Chief of the Eastern Band of Cherokee Indians, the Chief of the United Keetoowah Band of Cherokee Indians in Oklahoma, the Principal Chief of the Muscogee-Creek Nation, and the Principal Chief of the Cherokee Nation. Proceeds raised will be used for transportation and lodging for the chiefs.

"This is our first time (at the Farmers Market) and it's been quite successful so we'll probably do this again," said the TSNAI's Dana Nelson. "There has been a lot of interest created (for the cause) and we've even been invited to set up a tent at the Scottish Festival. There is connection between the Chero-

kees and the Scottish because they were here together and many of them knew and liked each other."

Another first-timer was Hayesville, NC's Walnut Hollow Ranch, whose premium, farm raised, Black Angus beef was a hit at the Farmers Market.

"It went well today and we met a lot of new people."

said Farm Operator Charlie Katniss. "It was our first time here and we're going to be here for the season."

Up next at the Market are the EGGS-travaganza on June 13 and the BBQ Blast on June 20. The Farmers Market will offer plenty to see and do through the late October with special events taking place every weekend through Oct. 31

Another busy month for members of the Blue Ridge Mountain Jeepers. We may not have been the largest group in the Blairsville Memorial Day Parade but we were one of the most colorful. With eighteen jeeps in our group and each bedecked with American flags, patriotic symbols, banners, streamers, spinners, stars and bows we showed off our "Red, White & Blue" spirit in fine fashion. Our members take great pride in displaying the vehicle whose origin played such a significant role in America's military history.

On Monday, Memorial Day, we had our annual picnic with an exceptionally good turnout. The weather was just right with no rain and we were entertained by "The Wilderness Pickers" musicians.

Our Forest Service rides this month have included our weekly excursion into Beasley Knob off-road trails. Anyone who participates in these rides is pleasantly surprised by the improved trails resulting from the enhancements made by the Forest Service personnel over the winter. Our trip to 'Crossing the Delaware' (actually the Toccoa River) always provides us a very lovely setting for our picnic lunch. The travel to the top of Bell Mountain is always eventful and results in a spectacular view of Hiwassee and Lake Chatuge. Trey Mountain trail lets us get a little muddy as well as enjoy a fairly easy climb to close to 4000 foot elevation.

Coming up in June we have a ride planned after our meeting on the 9th. Our jeeps were on display at the Block Party thrown by Blairsville Cruisers at the Blairsville Farmers' Market on Friday evening the 5th. Every Monday we have a ride planned for Beasley Knob. Throughout this month we have two Wednesday and three Thursday rides on our events schedule. On Thursday the 11th we will be making a food donation to the Union County Food Bank.

If you have a jeep and would like to take some fun rides with the BRMJ's check our events calendar, pick a date and come join us. Our website is: <http://www.blueridgemountainjeepers.com>. In addition, pictures and videos of recent rides and events are posted for your enjoyment. Come by and see our jeeps at the Blairsville Cruisers Block Party Car Show at the Union County Farmers' Market on the first Friday of the month. Our monthly meeting is held every second Tuesday at Steve's Steakhouse in Blairsville with dinner at 5:30 PM and meeting at 6:30 PM. NT(Jun10.Z6)CA
