Union County athletics saw four teams win a Region Championship and five individuals claim a Region title.

The Lady Panthers soccer team and both cross country teams took home Region titles. The baseball team shared the 8-AA crown with Rabun County.

Individually, Emma Garrison was the individual Region champ in cross country and two track and field events (1600M and 800M). Julia Lindsey finished first in the Region's 3200M race.

The Lady Panthers basketball team just missed out on a Region Championship after finishing the regular season in a first place tie with Rabun County.

After reaching the Region Championship game, the Lady Panthers (19-7) had the game in hand until Rabun County broke Union's heart by nailing a half-court buzzer beater to claim back-to-back Region Championships for the Lady Cats.

It was another week before the Lady Panthers opened State Tournament play due to winter weather. But when the roads were cleared the following weekend, Union hosted Darlington in a back-and-forth affair that concluded with the Lady Panthers on the wrong end of a 68-64 score.

In other winter sports, the Panthers basketball team placed third in Region 8-AA, then gave Coosa quite a scare in the first round of State. Union led by double digits before Coosa rallied for a 68-62 win.

The wrestling squad continued to make progress with six wrestlers placing at Area and two advancing to the State Sectionals.

Zach Payton placed fourth at 182 pounds and qualified for Sectionals. Grizzly Breedlove reached as an alternate at 152 pounds.

Brandon Mickens placed sixth, Adrian Shaw came in fifth, Noah Bierce was fifth, Bryan Nelson finished fifth, and Breedlove took fifth.

Union County athletics also saw success in the State Tournament as a No. 2 seed.

In the spring, the men's soccer team finished second in 8-AA and reached the State Sweet 16.

ee 4-0 in Blairsville, the Panthers traveled to the opposite end of the state where they met Thomasville in the second round.

Playing just 30 miles away from Tallahassee, Fla. the Panthers nearly overcame an all-day bus ride and trailed 2-1 until Thomasville put the game away with a late goal.

More recently, the Lady Panthers softball team reached the Elite 8 in Columbus where they met the eventual State Champion Gordon Lee in the first game.

In the early stages of the game, Union's ace and the 8-AA Pitcher of the Year Laken Chambers suffered an injury and was unable to pitch.

The Lady Trojans went on to run-rule the Lady Panthers

12-1. Union lost the second game to Lanier County 9-6 despite a grand slam from senior Maddie Garrett.

The Lady Panthers' two seniors, Karley Nix and Garrett were each named First Team All Region after leading Union to a 25-9 record.

Panthers baseball (16-6) nearly matched the softball team with an Elite 8 appearance but fell one game short at Fitzgerald in the State Sweet 16.

During the regular season, Union and Rabun finished with even records and were dead even in each of the tiebreakers, so the two teams were named Region Co-Champions and the No. 1 seed was determined by a coin toss - which Rabun won.

The Region title was the first for Union baseball since 1990. The 2015 season also marked the only time in school history that the baseball team reached three straight State Tournaments

The Panthers hosted Model in the first round and won Game 1 and Game 3 of the best-of-three series.

In the second round, Union traveled south to Fitzgerald and took Game 1. Unfortunately the next two games, and the series went to Fitzgerald.

In other Spring sports, the Track and Field team won Region Championships with Garrison (1600M & 800M) and Lindsey (3200M).

Joining them at State Sectionals were Stephanie Busse

during the season finale, causing her to miss the entire State Tournament.

Union finished 10-2 overall with State Tournament wins over Darlington (7-0) and Thomasville (6-0). The Lady Panthers fell to private school Lovett in the Elite 8, which resulted in all-private school final four.

Union County swept the 2015 Cross Country Region meet at Riverside Military Academy back in October.

Lance Underwood and Garrison each claimed individual Region titles while both teams went home as Region Champions, as well.

Underwood won his race by 41 seconds and Garrison was more than a minute ahead of second place, who happened to be her teammate Emmi Schakat.

Both teams ran away from the competition with the guys finishing 35 points better than second place Social Circle.

The Lady Panthers were 19 points better than second place Social Circle.

Both teams cracked the Top 10 at State with the guys coming in sixth, led by Underwood, who placed seventh. The ladies placed 10th, led by 32nd place Garrison.

Finally, Union County football capped off its most successful four-year run in team history with its second straight nine-win season.

The Panthers were led by University of Richmond commit Joseph Mancuso, who rewrote the record books during his three years as the starting quarterback.

However, his status for the final two regular season games and the State playoffs were in doubt following a knee injury he suffered in the first half of a 49-3 loss at Rabun in mid-October.

With the bye week following the Rabun game, Mancuso was able to return and Union won its final two games, including a 43-21 victory at Washington in the season finale.

The Panthers dropped an overtime heartbreaker 56-55 to Bowdon in the first round of State on a successful 2-point conversion by the visiting Red Devils.

In perhaps the most thrilling game of the year, Union rallied for a 37-31 victory at Fannin. Two weeks prior, the Panthers pulled away from Lumpkin, 51-28.

Layne Colwell was named Homecoming Queen during a 49-28 win over Greene County.
